

NOTICE is hereby given, that the undermentioned Two Allotments of Sunderbans' Forest Land, Deeded in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-hoosie terms, upon application being made at the Office of the Commissioner of the Sunderbans, at Alipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Kanchara Bar.	70,000	North, the Pangash river, the Barweckhaloo Khali, and the Jewdhura river.—East, the Balissur river.—West, the Bhola river.—South, the Cheppa, Barweckhaloo, and Kumaikhaleo Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunah Beyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Sunder trees might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheppa, Barweckhaloo, and Kumaikhaleo Khals.—East, the Balissur river.—South, the Dhamir river joining the Bhola with the Balissur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

Sunderbans, Commissioner's Office, Alipore, the 6th Sept. 1838.

G. T. SHAKESPEAR, Commissioner.

5th.—In case of default being made either by non-payment or otherwise of the Advances, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

Number of Allotment.	Area.	Boundaries.	Remarks.
Khoolceah Bar-mant.	20,000	North, the Pangachee river, the Barwekhalee Khali, and the Jewdhore river.—East, the Balisaur river.—West, the Bhola river.—South, the Cheepa, Barwekhalee, and Kumarkhalee Khala.	This allotment is situated on the Western bank of the Balisaur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soodere timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Bar-mant.	20,000	North, the Cheepa, Barwekhalee, and Kumarkhalee Khala.—East, the Balisaur river.—South, the Dhannur river joining the Bhola with the Balisaur river.—West, the Bhola.	The like remarks apply modified in as far as this allotment is to the south of the preceding one.

Extract from a letter from Captain Hobson, of H. M.'s Ship *Rattlesnake*, dated at Ceylon, on the 3d September, 1898.

The Mails and Public Despatches that were sent from Calcutta by the Ship "Emma" in May last, have been transhipped to the "Rattlesnake," by the order of the Agent for Government, Mr. Haskinson. The "Emma" put in here, some time ago, with her Crew in a state of mutiny and likely to be detained in this Port a considerable time. It is said she has on board a most valuable Cargo. It might be proper to acquaint our friends and the public, especially in Calcutta, how their letters have been disposed of. I don't believe any public notice will be given in Ceylon.

(True Extract.)

WM. MOORE, Deputy Post Master.

NOTICE is hereby given, that the undermentioned Two Allotments of Soonderbans' Forest Land, Deeded in favor of Government by the Presidency Special Commissioner, on the 24th July, 1887, can be obtained on the usual jungle-bores terms, upon application being made at the Office of the Commissioner of the Soonderbans, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowlesah Bar-siaul.	70,000	North, the Pragachee river, the Barwekhaler Khul, and the Jowdhora river.—East, the Balisaur river.—West, the Bhola river.—South, the Choopta, Barwekhaler, and Kumarkhaler Khat.	This allotment is situated on the Western bank of the Balisaur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Sayadpur. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soonderbans timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Choopta, Barwekhaler, and Kumarkhaler Khat.—East, the Balisaur river.—South, the Bhola river joining the Bhola with the Balisaur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

Soonderbans, Commissioner's Office, Allipore, the 6th Sept. 1888.

HAMILTON VETCH,
Offg. Collector and Magistrate.

NOTICE is hereby given, that the undermentioned Two Allotments of Sunderbans' Forest Land, Devised in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-bores terms, upon application being made at the Office of the Commissioner of the Sunderbans, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowlesah Bar-risaul.	70,000	North, the Pangachee river, the Barweckhalee Khali, and the J-widhura river.—East, the Balisur river.—West, the Bhola river.—South, the Chappa, Barweckhalee, and Kumackhalee Khals.	This allotment is situated on the Western bank of the Balisur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Sunderbans timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Chappa, Barweckhalee, and Kumackhalee Khals.—East, the Balisur river.—South, the Dhamir river joining the Bhola with the Balisur river.—West, the Bhola.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

**FORT WILLIAM,
GENERAL DEPARTMENT, 20TH JUNE 1832.**

All Public Officers of Government sending Advertisements to the Calcutta Gazette for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
25th JANUARY, 1836.**

Notice is hereby given, that under Instructions just received from the Hon'ble Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England repayable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advances, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order, but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

HAMILTON VETCH,

Offg. Collector and Magistrate.

NOTICE is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khawleah Barisaul.	70,000	North, the Pangchoe river, the Barwockhaloo Khali, and the Jawdhoora river.—East, the Ballasur river.—West, the Bhalah river.—South, the Choopa, Barwockhaloo, and Kumarkhaloo Khals.	This allotment is situated on the Western bank of the Ballasur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Bryadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Choopa, Barwockhaloo, and Kumarkhaloo Khals.—East, the Ballasur river.—South, the Dhamir river joining the Bhola with the Ballasur river.—West, the Bhola.	The like remarks apply modified in as far as this allotment is to the south of the preceding one.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madrass.
Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

THE 24TH SEPTEMBER, 1838.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 24th September 1838, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that this Act be promulgated for general information.

Act No. XXIV. of 1838.

I. It is hereby enacted, that Section III. of Act XIX. of 1836, together with any other provisions of that Act which prescribe or supply that the Capital Stock of the Bank of Bengal shall not exceed 75 Lakhs of Rupees, shall from this day be repealed.

II. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council whenever he shall see fit from time to time by an Order to be notified in the Calcutta Gazette, to authorize the Capital Stock of the said Bank to be increased, and to make such order and direction for the opening of subscriptions towards such increase of Capital as to him may seem fit, giving due notice to the Proprietors of the said Bank for the time being and allowing to them a period of not less than eighteen months to fill up such subscription.

III. And it is hereby enacted, that whenever such increase of Capital Stock of the Bank of Bengal shall be ordered by the Governor General of India in Council, the Proprietors entitled to share therein shall not be debarred of the right to subscribe for the same in the proportion of the shares they may be legally holding by reason of any limit to the quantity of Stock which a single Proprietor may hold that may be imposed by the Provisions of the Charter of the Bank, or by any Clause or Provision contained in Act No. XIX. of 1836.

IV. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council, when he shall direct an increase to be made of the Capital Stock of the Bank of Bengal, to prescribe that the subscriptions shall be made upon each share respectively, in any given proportion to the amount of Stock represented by such share, and after subscription made at any time within the period of notice prescribed in Section II. of this Act, to permit the amount subscribed on account of any share or shares to be paid up and annexed to the Capital Stock of the Bank in such manner and at such dates as may be deemed most convenient and proper, and likewise to prescribe that the amount of new Capital that may not be subscribed for by Proprietors within the period of eighteen months so specified, shall be sold by Auction by an Officer of the Bank for the benefit of the said Bank, on some early date, after the close of such period, and that the proceeds of such sale shall be at the disposal of the Proprietors of the Bank by Resolution duly passed at their General Meetings, any thing in the existing Charter of the said Bank regarding the method of taking the subscriptions of new Capital to the contrary notwithstanding.

V. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council at the time of ordering any increase of the Capital Stock of the Bank of Bengal to reserve the portion of such increase that may belong to Government by reason of its share of the Capital of the said Bank, and to fix any date within the period of eighteen months above specified, as that before which it shall be finally declared whether the Government will take the share of new Stock to which it is so entitled or will refuse the same, and in case of refusal by Government to take its share of new Stock, such Stock shall not be sold on account of the Proprietors at large as above provided for Stock not subscribed for by other Proprietors, but the amount to which the Government may be so entitled shall not be raised, and if the Government shall determine to subscribe for the share of new Capital to which it is entitled, it shall be lawful for the Governor General of India in Council either to retain the same or to order the sale of such new Stock or any portion thereof on account of Government in such manner and at such times as to him may seem fit.
